SPORTS FUNDING STATEMENT 2015 - 2016

For the academic year 2015-2016 Llangrove CE Academy has been allocated £8,205 sports funding from the government to enhance the P.E. provision of the school. This funding is given to all schools and the amount is based upon the number of pupils. We have used all of the allocation to employ a specialist P.E teacher for one day a week. Mr Goodchild is employed to work across the Herefordshire Marches Federation of Academies.

At Llangrove he teaches all three classes and he runs a weekly afterschool club offering a variety of sports activities throughout the year. Mr Goodchild also organises a number of competitive matches and sports festivals with other schools.

As a result of the funding a greater number of children are now involved in extra-curricular activities; and the school has participated in a larger number of sporting events with other schools and has already triumphed in both quick sticks hockey and netball tournaments.
