

**Llangrove CE Academy  
Pupil Premium Allocation 2013 - 2014**

The 'Pupil Premium' was introduced in April 2011. The Government provides additional funding for certain groups of pupils: those who are eligible for Free School Meals (FSM), children who are looked after and pupils whose parents are in the armed forces. This includes pupils who have been eligible for FSM within the past 6 years (FSM Ever 6).

*"It is for schools to decide how the Pupil Premium...is spent, since they are best placed to assess what additional provision should be made for the individual pupils within their responsibility."* Source DfE website.

For the year 2013-2014, Llangrove CE Academy has been allocated £9,593 to spend on initiatives to ensure that these children reach their full potential - academically, socially, emotionally and behaviourally.

For this academic year we have allocated the money in the following way:

Pupil Premium Initiatives	Pupil Premium Expenditure	Evaluation	Action
<ul style="list-style-type: none"> <li>• Subsidised school trips, including swimming, educational visits and extra-curricular activities</li> <li>• Music tuition &amp; Moving Targets initiative</li> <li>• 1:1 topic based topic work tuition including additional resources</li> <li>• TA support and intervention groups for literacy and numeracy.</li> <li>• A member of staff to aid in the transition period of a pupil moving to a new school.</li> </ul>	£2,953	<p>Children have been able to access extra-curricular activities alongside their peers - something they may not have been able to do without the financial subsidy. Learning has been enhanced as a result of the educational visits and the swimming lessons have enabled children to develop safe play skills around water.</p> <p>There are noticeable improvements in knowledge and application with the extra TA support and 1:1 intervention groups.</p>	To continue during 2014/15
<ul style="list-style-type: none"> <li>• The leasing of iPads and a storage/charging hub to enhance children's learning across the curriculum.</li> <li>• Training staff in the delivery of iPad technology and apps.</li> </ul>	£2,940	<p>iPads have enabled enhancement of learning and offered alternatives to the recording of work. This has been particularly useful for children whom access to modern technology at home has been problematic.</p>	To continue during 2014/15

Progress is above expected for those children in receipt of pupil premium in reading, writing and maths.
