### November Attendance

98.1 %

The children have been making the most of the frosty days this week; creating frost snakes and writing their names ☺

**Acorn Class** have had a cheeky little visitor today! Buddy (as the children named him) has been making the most of an empty school in the evenings by rummaging through Mr Preddy's cupboards! Any information on where this little chap is from – then please get in touch. ☺

### This week in English & Maths the children have been focusing on the following objectives:

	SPaG & English	Maths
<b>Acorn Class</b>	We've been focusing on plural words and how the ending changes to 'es' when the word ends in x,ch,sh,z and s. In Talk4Writing we have been looking at writing our own problems into stories and changing the ending.	The children have been solving number problems using their knowledge of single digit addition and we've started to look at capacity using jugs and water.
<b>Beech Class</b>	We have been spelling words ending in -el and looking at how punctuation differs for the type of sentence. In Talk4Writing we have been describing a forest setting from our book <i>The Tunnel</i> .	We have been using the different vocabulary associated with subtraction and seeing the relationship between addition and its inverse subtraction.
<b>Oak Class</b>	Using our own toolkits to change the setting of our story. Writing a recount of 'The Battle of Watling Street' from the perspective of someone who was there.	<b>Y4&amp;5:</b> Identifying factors of numbers and knowing prime numbers up to 20 <b>Y6:</b> Using Venn diagrams to identify the lowest common multiple.

Please 'like' us on Facebook and keep up to date with events in school 😊
