

# Oak Class - Spring Term 2017

Our topic this term will be '*Who Are We?*'

Please find attached the children's questions and topics they would like to find out about. You will also receive an emailed copy of the curriculum overview that has been created using these suggestions.

## Can you help?

I would like the children to have as much hands on experience of village life and history as possible. If you have access to, or know anybody who has old photographs, articles or maps of Llangrove and the surrounding area then it would be hugely appreciated if these could be shared with the children.

## This term's 'Show & Tell'

In line with our topic, I am asking the children to research and present to the class a report on someone in their family. We are looking for unique or celebrated achievement(s), or a detailed look into their lives.

This report can, as always, be presented in a format of your child's choosing 😊.
