SPORTS FUNDING STATEMENT 2016 - 2017

For the academic year 2016-2017 Llangrove CE Academy has been allocated approximately £8,200 sports funding from the government to enhance the P.E. provision of the school. This funding is given to all schools and the amount is based upon the number of pupils. We have used all of the allocation to employ a specialist P.E teacher for one day a week. Mr Goodchild is employed to work across five Herefordshire Marches Federation of Academies schools.

At Llangrove he teaches all three classes and he runs a weekly afterschool club offering a variety of sports activities throughout the year. Mr Goodchild also organises a number of competitive matches and sports festivals with other schools.

Llangrove CE Academy has taken part in shared federation activities including the Federation Olympics, HMFA Tennis, Hi 5 Netball and Cross Country at Canon Pyon. We also represented the Ross cluster schools in the Herefordshire Winter School Games in Quik Sticks Hockey. Three of our KS2 pupils won their races in the Ross School Cluster Swimming Gala.

Last year children in years 4, 5 and 6 also had rugby coaching from Worcester Warriors. Our Year 5 and 6 rugby team then went on to take part in a rugby tournament at Greyhound Rugby Club, Hereford.

As a result of the funding a greater number of children are now involved in extra-curricular activities and the school has participated in a larger number of sporting events with other schools.
