This week...

HMFA Athletics

As we type, KS2 pupils are testing their athletic prowess against pupils from across the Federation at Hereford Leisure Centre. It is a fantastic annual event and we know the children would have done themselves proud, regardless of the results. ☺

Monmouth Show – Bench Competition

We were delighted to have been invited to design a bench for this year's show and were proud of the fantastic pyrography designs the children came up with. The bench sat proudly next to the Countryside Ring and earned us 'Reserve Champion'. Well done to Mrs Dean, Mrs Howie, Mr & Mrs Arnold and the fantastic Art Club children.

Oak Class have been honing their craft skills by transferring their glider templates onto balsa wood and then using craft knives to cut them and glue their fuselages together.

Year 6 Show

Tuesday & Wednesday evening saw the culmination of weeks of hard work rehearsing, when Olivia, Xena, Bella, Chloe, Grace & Mary-Grace did us all proud on stage at the Courtyard Theatre for 'Beauty & The Beast'. It was a fantastic show and was a real testament to all pupils and staff who produced a show that was so entertaining in such a short space of time. Well done girls you were fantastic!

Beech Class Dinosaurs

This week Beech Class were joined by Mrs Meeks. They have spent the week working very hard on their Dinosaur topic. They have honed their measuring skills – finding out which of these prehistoric giants could fit in our playground! They have also researched individual dinosaurs and composed a quiz – parents prepare to be asked some tricky questions!

Oak Class: Charlotte – for her excellent haul of rosettes at this year's Monmouth Show

	SPaG & English	Maths
Acorn Class	We have been practicing their <i>Common Exception Words</i> . They have also been using some great verbs in their writing.	We have revisited halves and quarters this week.
Beech Class	The children have continued with their theme of Dinosaurs looking for rhyming words eg tail – mail and looking at describing words for Dinosaurs.	We have been using our measuring skills to see if the size of any Dinosaurs would actually fit in our playground !
Oak Class	We have completed our 'Quest' stories! The children are very proud of them and we have started typing them up ready to share with parents.	We have continued looking at scale factors and have begun to create our scaled glider component parts.
