LLANGROVE CE ACADEMY

Primary PE & Sports Premium 2020 - 2021

Children Playing, Improving & Smiling

Support for review and reflection - considering the 5 key indicators from DfE, what development needs are a priority for your setting and your students now and why? Use the space below to reflect on previous spend, identify current need and priorities for the future.

Key achievements to date:	Areas for further improvement and baseline evidence of need:
PE Achievements & Performances 2019-20	Continue providing a greater range of activities to
School Games Mark Award	engage the more reluctant pupils at break times and lunch times.
This academic year, Llangrove CE Academy were on target to maintain the Gold award achieved last year. However, due to the current circumstances, the Award has been delayed for the next Academic Year. In its place, Herefordshire School Games organisers decided to create their own Award for primary schools in Herefordshire and we have applied for this Award.	Coaches brought in to give children new experiences in less common sports.
<u>Herefordshire Virtual School Games</u> In June 2020, we were delighted to receive a Silver Medal in the Virtual School Summer Games. Competing against thirty/forty other Primary schools in Herefordshire, the children were asked to throw a rugby ball at a target as many times as possible in 60 seconds. A great result for our school and home-learners!	To continue with our outstanding achievements in the School Games Awards and to strive for the Platinum Mark in 2020 -2021.
Herefordshire School Games In Autumn 2019, all children in Years 5 and 6 competed in the Indoor Athletics Competition at John Kyrle High School. Competing against seven other schools they just missed out on 3 rd place by two points! In Spring 2020, children in Year 4 travelled to Hereford to participate in a non-competitive Multiskills event also organised by Herefordshire School Games. The children participated in arrange of team and individual skills from crab crawling and balancing to running and batting.	
HMFA Sports League Llangrove CE Academy competed in one HMFA Federation Sports League this academic year.	
 Netball tournament – held at Scudamore Academy – winning every game in their group, achieving 4th place in the finals. 	
<u>Multi-skills</u> The annual HMFA Federation multi-skills event at Hereford Leisure Centre for Reception and Year 1 was cancelled. However, the children participated at school instead! They were given a range of activities, designed to improve basic movement and fundamental sport skills in a fun and challenging way.	

Dance

Reception & Year 1 were treated to a term of Dance lessons from Emily, a local Dance teacher. Keeping the term's theme of Superheroes, the children devised, practised and performed a range of super moves.

Years 4, 5 and 6 also created, practiced and performed a Superhero themed dance in preparation for a matinee and evening performances at the Courtyard Theatre in Hereford, which was unfortunately forced to be cancelled in March 2020. Instead, the children performed to the rest of the school.

For Sport relief this year the school participated in a "Danceathon". On the hour every hour, a dance was performed by all children and staff in every class!

Year 2 and 3 planned, practised and performed a few "Dinosaur" themed dances to the school. They taught everybody the dance moves to a song called "Everybody Walk the Dinosaur".

Years 1, 2 and 3 started Country Dancing lessons in preparation for the May Fayre from Mrs. Haggett.

Coaching

Children in Years 4, 5 and 6 had six weeks of coaching by a representative from Worcester Warriors.

Year 2 and 3 were visited from representatives from Ross Bowling Club and were given a chance to have a go at indoor bowling. Kate Williams, who represents England for the sport also did a question and answer session at the end of the afternoon.

Year 2 and 3 were due to receive weekly tennis coaching in April 2020 from Goodrich Tennis Club.

Swimming

Key Stage 1 completed half of their swimming coaching at Monmouth Girls School this year. **All children spent one hour in the pool** and as a result there has been significant improvement in water confidence and fitness. Swimming lessons and the annual Swimming Gala for Key Stage 2 was cancelled during the Spring term.

The Daily Mile

With the school now established as an official member of the "Daily Mile" community, the children at Llangrove Academy are most definitely fitter and more active. There is always an option to walk jog or run the mile – though by the summer term we anticipate a lot of runners! With the mile often pursued after a morning's Collective Worship, we have noticed an improved concentration in class.

Personal Challenges

Personal Challenges continue at breaktimes/lunchtimes for children to challenge themselves to beat their score/time at various allocated skills. These activities are also encouraged by our Lunchtime Supervisors. Team points are awarded to keep participation and engagement. Target groups have been identified to improve catching and throwing skills.

<u>Year 6</u>

Year 6 continue to develop their leading skills and lead the cool down sessions after the Daily Mile. The Summer Annual School Multiskills afternoon organised and run by Year 6, was cancelled.

Meeting national curriculum requirements for swimming and water safety	Please complete all of the below:
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres? N.B. Even though your children may swim in another year please report on their attainment on leaving primary school.	TBC%
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?	TBC%
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	TBC%
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	TBC%

Action Plan and Budget Tracking Capture your intended annual spend against the 5 key indicators. Clarify the success criteria and evidence of impact that you intend to measure to evaluate for students today and for the future.

Creating more all-weather outside space and improving activities for break, lunch times and Forest Schools Aimed at EYFS and KS1.	Improve and upgrade the outside play area which is muddy and inaccessible in the winter months. Also school pupil numbers have increased and therefore more space and activities are required.	£10,000	enabling a wider range of activities to take place. Forest Schools will also have further all weather outdoor activity space encouraging 'Den Building'	This will be a sustainable
To renew the markings on the playground to increase the level of physical activity.	New playground markings to raise the level of physical activity at break & lunch times. Also create a safer environment for active play with designated zones for different activities.	£2,500	Playground markings to create zoned areas which have more structure to playtimes and lunch times. This will reduce accidents and substantially improved the amount of physical activity carried out.	Get quotes and designs for playground markings before involving children in selecting what they would like to be added to the playground. This will be a sustainable improvement that will last many years.
Improve playground fencing enhancing safety. Adding creative fun and sport activity boards to fencing.	The playground will be a fun and active place to encourage less active children to participate in sports/games. Especially during the winter period when the school field is not suitable.	£2,500		Look at options and costs. This will be a sustainable improvement that will last many years.
All pupil to enjoy Forest School sessions on a four-week rota basis per class. This engages them in a range of physical activity and nurtures their passion for the outdoor life.	Forest school sessions for the whole school on a four-week rota basis per class.	£100		Already engrained into the school timetable and to be continued.

Raise the profile of swimming across the whole school including EYFS, KS1 and KS2. Year 6 children to receive extra swimming provision in order to ensure they can: Swim competently, confidently and proficiently over 25 metres. Use a range of strokes effectively. Perform safe self-rescue in different water-based situations.	EYFS, KS1, KS2. Hire of pool KS1 Two support staff together with two extra swimming instructors to support the class teacher. Planned expense £2,750.		Pupils are able to self-rescue and attain KS2 requirements by the end of Year 6. Analyse Swimming data when children have finished their sessions.	Swimming for the whole school will continue next year. Swimming pool and instructors to be booked as well as transport.
Ensure safety of all sporting, playground equipment and surfaces.		£500		Regular safety inspections & maintenance carried out.
stored safely and easily accessible to	, J	£600		To purchase new outdoor PE Shed.
