

Pupil premium strategy statement: Llangrove CE Academy

What is Pupil Premium?

The Pupil Premium Grant (PPG) has been awarded to schools since April 2011. For the current academic year (2015 - 16) primary schools will receive a sum of £1320 for any child who had been in receipt of free school meals (FSM) any time during the last 6 years. Additionally, children who are, or have been in care (LAC) are supported by a grant of £2,300 (increased 1.4.18). Service children receive £300.

Why is it important?

The PPG is used to address underlying difficulties faced by some families. Our school uses the grant in a variety of ways to suit the individual needs of each child in receipt of the grant and help them to achieve their potential.

Pupil premium strategy statement (primary)

1. Summary information					
School	LLANGROVE CE ACADEMY				
Academic Year	2018/2019	Total PP budget	£10,825	2017-2018 PP Review date:	June 2018
				Date of most recent PP Review:	August 2019
Total number of pupils	64	Number of pupils eligible for PP	11	Date for next internal review of this strategy	Sept 2019

2. Current attainment - End of KS2		
	<i>NO Pupils eligible for PP</i>	<i>Whole Cohort (including PP)</i>
% reaching expected standard in reading, writing and maths	n/a	70%
% reaching expected standard in reading	n/a	80%
% reaching expected standard in writing	n/a	90%
% reaching expected standard in maths	n/a	90%

3. Barriers to future attainment (for pupils eligible for PP, including high ability)

In-school barriers (*issues to be addressed in school, such as poor oral language skills*)

A.	Some PP children, across the school, lack enrichment opportunities which can prevent the development of vocabulary and knowledge – this directly effects reading and writing attainment and progress.
B.	Social, emotional and behavioural issues for key children across the school have a detrimental effect on their academic progress.

External barriers (*issues which also require action outside school, such as low attendance rates*)

C.	Accessibility to extra - curricular experiences can be more restricted owing to finances.
D.	Some parents experience difficulties supporting pupils with homework.
E.	Some parents have limited access to the internet to enable pupils to access school computer programs such as 123 Maths, SPaG.com, Nessy.
F.	Some pupils do not always have a healthy diet which can limit focus and concentration in class.

4. Desired outcomes

	<i>Desired outcomes and how they will be measured</i>	<i>Success criteria</i>
A.	To enrich the curriculum and provide experiences to enhance progress in academic, social and emotional development.	Improved attainment and progress in reading and writing for PP children across all year groups to match national data, especially in KS2.
B.	Improved behaviour and emotional resilience for targeted pupils.	Fewer incidents recorded for these pupils on the school system.
C.	Accessibility to extra - curricular experiences is not restricted because of finances and the extra interest will be seen throughout the pupils work and discussions.	Pupils will be able to attend a wider range of extra - curricular experiences and the impact of this will be seen in their work and discussions.
D.	Parents of pupils eligible for Pupil Premium funding are engaged in their child's learning and can support them to complete work at home.	Increased parental involvement and dialogue with school. Parents feel enabled to support pupils at home.
E.	Pupils eligible for Pupil Premium funding in Key Stages 1 and 2 have access to the internet to allow them to enhance their learning through research or engagement with internet – based learning programs.	All pupils eligible for Pupil Premium Funding in Key Stages 1 and 2 are provided with opportunities to use the internet to complete projects or access programs such as 123 Maths and SPaG.com.
F.	Increased focus in class with improved learning. Encouraging healthy eating and diet.	Pupils eligible for free school meals also have the opportunity for free school milk. KS2 FSM pupils receive a hot meal every day.

5. Planned expenditure

Academic year

2018 - 2019

The three headings below enable schools to demonstrate how they are using the pupil premium to improve classroom pedagogy, provide targeted support and support whole school strategies.

i. Quality of teaching for all

Desired outcome	Chosen action / approach	What is the evidence and rationale for this choice?	How will you ensure it is implemented well?	Person/s overseeing	When will you review implementation?

A) Enable children to access all areas of the curriculum regardless of their ability.	TA support in all classrooms.	This has led to a marked improvement in the children's ability to and be supported as they take part and achieve within all areas of the curriculum.	TA staff performance reviews Pupil Premium self-review of TA classroom support to be commissioned in June 2018 Learning walk by Executive Heads / SLT & SEND co-ordinator Use of Classroom monitor and assessment analysis monitors progress made on a termly basis.	Executive Heads Head of School	September 2019
A) To narrow the gap between attainment in reading and writing for identified pupils.	1:1 and small group support for PP pupils in reading, writing and maths, in addition to standard lessons.	Providing 1:1 extra support to PP pupils with qualified staff has been shown to be effective.	Organise timetable to ensure staff delivering provision, have sufficient preparation and delivery time.	Executive Heads Head of School	September 2019
A) & B). To improve behaviour, develop team-skills and gain in confidence.	Forest School, adult led by a trained TA. Activity based intervention, focussing on developing social and emotional understanding including additional resources.	Our Forest School Curriculum is delivered weekly on a half-termly rota basis for KS1 and KS2. This has enabled our pupils to be given the time and space they need to discover, experiment and consolidate through play and facilitated experiences and learn new skills.	A Pupil Premium self-review to be commissioned in June 2019	Executive Heads Head of School Forest School Leader	September 2019
Total budgeted cost					£8,923

ii. Targeted support					
Desired outcome	Chosen action/approach	What is the evidence and rationale for this choice?	How will you ensure it is implemented well?	Person/s overseeing	When will you review implementation ?
D) Build parent partnerships and engage parents in pupils learning.	Increase parent involvement and dialogue with school.	In order to improve parental involvement and dialogue with school, parents will be invited into school to attend parent consultations/open classes which empower them to support their pupils at home.	Follow up meetings/dialogue with parents to ensure parents are updated on pupil progress and are given the opportunity to discuss any concerns they may have.	Executive Heads Head of School	September 2019
A) To improve Maths and number skills for identified PP children and the whole school.	Selected PP children to attend Maths Ambassador training.	This will be a hugely rewarding experience for the children as they gain in confidence in their own mathematical understanding through the teaching of basic mathematical concepts. Also helping to support the learning of others is particularly important as studies have repeatedly shown that children learn more from their peers than in any other way.	Through regular work scrutiny and observations to ensure the initiatives have had significant impact on pupil progress. Pupils achievement and progress is assessed using learning objectives for Maths.	Executive Heads Head of School Maths Coordinator for HMFA	
Total budgeted cost					£42

iii. Other approaches					
Desired outcome	Chosen action/approach	What is the evidence and rationale for this choice?	How will you ensure it is implemented well?	Person/s overseeing	When will you review implementation?
C) All children to be able to take part in educational school visits to further their learning outside the classroom	Subsidised school trips, including swimming, educational visits, residential trips and extra-curricular activities	Children have been able to access extra-curricular activities alongside their peers – something they may not have been able to do without the financial subsidy. Learning has been enhanced as a result of the educational visits and the swimming lessons	Meetings with parents to address needs. Trip letters to highlight that parents can seek help to cover financial cost of trips.	Executive Heads Business manager	September 2019

and not to be restricted because of finances.	including after-school clubs.	have enabled children to develop safe play skills around water.	Funding available for residential and educational visits.	Head of School Class teachers	
C) To continue to offer music tuition with peripatetic music teacher.	Free access to instrumental music lessons for PP pupils.	PP pupils will be offered music tuition to learn an instrument free of charge with a peripatetic music teacher.	Ongoing feedback from parents. Observing and tracking pupil progress. Discussion with Peripatetic music teacher	Executive Heads Business manager Head of School	September 2019
C) All pupils given the opportunity to attend extra-curricular activities.	After school clubs are offered to PP children at no cost.	After school clubs are available to all children with no cost to PP children. Clubs have included: Chess, Arts & Craft, Gardening, Sports, Golf and Year 6 STATS Clubs.	Ongoing feedback from parents. Comprehensive out of school activity programme. Some targeted clubs will reinforce areas of need (i.e. nurturing, team building, reading and maths).	Executive Heads Business manager Head of School	September 2019

iii. Other approaches (cont.)					
Desired outcome	Chosen action/approach	What is the evidence and rationale for this choice?	How will you ensure it is implemented well?	Person/s overseeing	When will you review implementation?
E) Enable children to access modern technology and the internet that they may not be able to do at home.	Continued use of i-Pads to enhance children's learning across the curriculum.	iPads continue the enhancement of learning and offer alternatives to recording of work. Additional laptops and I-Pads have been particularly useful for children for whom access to modern technology at home has	A Pupil Premium self-review to be Carried out in June 2019	Executive Heads Business manager	September 2019

	123-Maths online resource for pupils	been problematic. Online learning resources enhance out of school learning provision designed to build confidence and raise attainment.		ICT Co-coordinator Head	
'A) To improve self-esteem, resilience and motivation for Key Stage 2 pupils including PP children.	Moving Targets initiative choreographed by a specialist teacher.	Moving Targets continues to be an excellent tool for raising self-esteem, resilience and motivation for Key Stage 2 pupils. Pupils choose a theme and music for a dance which they choreograph with a specialist teacher. It culminates in pupils performing their dance in a celebration at The Courtyard Theatre, Hereford in front of parents. This builds confidence in the less confident children; develops self-esteem and develops skills of working as part of a team.	A Pupil Premium self-review to be Carried out in June 2019. Ongoing feedback from parents.	Head of School Class teacher Lead PE teacher	September 2019
F. Increased healthy diet	Free school milk for PP children aged 5 and above. Free hot lunches for eligible children	Increased focus on learning and health. Increasing concentration	Children enjoy their free milk and hot lunches. To monitor uptake of milk and FSM.	Head of School Business Manager Class teacher	September 2019
Total budgeted cost					£1,860

6. Review of expenditure				
Previous Academic Year		2017 - 2018		
i. Quality of teaching for all				
Desired outcome	Chosen action/approach	Estimated impact: Did you meet the success criteria? Include impact on pupils not eligible for PP, if appropriate.	Lessons learned (and whether you will continue with this approach)	Cost £7,355
To improve handwriting, reading and spelling skills for identified PP children.	Materials to support the implementation of THRASS intervention groups and CPD for staff.	The setting up of THRASS spelling intervention scheme for KS2 has been hugely successful and the PP children have responded well to the daily/weekly routine. TAs and teachers are noticing the improvements in knowledge and application as children progress and through work scrutiny and observations it is evident that the initiatives have had significant impact on pupil progress.	To continue with the successful strategy in 2018/19.	Costs from TA Support
The Forest School Curriculum was delivered on a rotating 6 session basis between KS1 & KS2. This has enabled our PP pupils to be given the time and space they need to discover, experiment and consolidate through play and facilitated experiences and learn new skills.	Forest School Programme: continued CPD and provision.	PP children as well as the whole school have gained in confidence and are more able to persevere with tasks they have previously found challenging. They have developed skills of working as part of a team, decision-making, sharing with others and using their initiative. These skills are also being transferred to more academic subjects.	No further training required but provision and CPD to continue if necessary.	

A marked improvement in the children's ability to enjoy and achieve within all areas of the curriculum.	Extra TA Support in classrooms to include: Support and intervention groups for literacy and numeracy. Support for children struggling with phonics to enable them to pass the Phonics Screening Test.	TA support enables children to access all areas of the curriculum regardless of their level of ability. This has led to a marked improvement in the children's ability to enjoy and achieve within all areas of the curriculum.	To continue in 2018/19	
ii. Targeted support				
Desired outcome	Chosen action/approach	Estimated impact: Did you meet the success criteria? Include impact on pupils not eligible for PP, if appropriate.	Lessons learned (and whether you will continue with this approach)	Cost £2,567
