

## English

We will look at mystery and suspense by using 'The Church' as a model text to write a story about the abandoned cottage in Llangrove. Is it haunted?  
We draw together facts about ourselves and our families to create biographies.  
We will also continue to read a range of texts during our guided reading sessions.

## Geography

We will look at available census data to get a better understanding of the demography of the village and the surrounding villages.

## Mathematics

The key areas this term are: multiplication & division and their respective written calculation methods. Also angles, area and perimeter.

## Science

We will be learning about food chains and food webs.  
We will also learn about the physical changes that occur as human beings move from babies to adults.  
We will then look at 'Plants' – how they grow, reproduce and how they are adapted to their respective habitats

## Art and Design

We will be creating self-portraits using Pop Artist Roy Lichtenstein as inspiration.  
We will be using mixed media to depict buildings of interest from Llangrove

## Oak Class

### Who Are We?

## History

We will be looking at the history of us! How we as individuals and as a community have developed. We will be using primary and secondary sources to learn about Llangrove/Longrove and what it would have been like to have been a pupil at this school in years gone by.

## Enrichment Activities

We will be embarking on many 'jaunts' around the village to help build a picture of how the village has changed and expanded.  
We will also be digging up and adding to the Llangrove CE Academy time capsule

## Religious Education

We will be learning about the key beliefs of the Islamic faith.  
We will then focus on **Salvation** – what did Jesus do to save human

## PSHE

We will be discussing what makes us special? How do we define ourselves? As well as what is meant by 'identity'?
