English

In English we will be exploring traditional tales such as 'The Gingerbread Man' and 'Goldilocks and the Three Bears': developing our descriptive and imaginative writing. We will be using the 'Talk for Writing' approach (T4W) to develop our skills as writers. They will also have a go at creating an advert for Grandma's house in Little Red Riding Hood.

Mathematics

In maths the children will develop their understanding of place value. They will be exploring their understanding of number through developing number sense using practical resources to support this.

They will also be developing their understanding of both 2D and 3D shapes.

Science

In Science we will be looking at materials. We will be exploring a range of different materials, naming everyday materials, exploring the properties of everyday materials, and experimenting using different materials.

Music

The children will be using their voices expressively and creatively by singing songs. They will also be listening to live music.

Religious Education

During this term the children will be exploring 'What do Christians believe God is like?' and 'What makes some places scared to believers?' We will also be exploring Christmas and Harvest.

Acorn Class

'Once Upon a Time…'

Acorn Class have an exciting and busy term ahead!

History

In history we will be developing key historical skills such as chronology and using sources to find out about life in the past. We will be exploring what monarchy means, learning about our current monarch, future monarch, and a monarch from the past.

PSHE

Throughout this term we will be looking at 'Being me in my world'. We will be developing our understanding of how we belong to our class, how w can make good friends an how we can create a good learning environment.

Art and Design & DT

In Art we will be exploring our use of colour, mixing colour, and using textiles.

In DT we will be designing, making, and evaluating our own fairy tale puppet.

Computing

The children will be developing their skills on the computer learning how to type, create content and save their work. They will also be using apps to support their learning in class.

Physical Education

In PE we will be developing our fundamental movement skill through activities and team games.

Geography

In Geography we will be exploring the UK. We will be naming the 4 countries of the UK, naming capital cities, exploring the flag and developing some basic map work.
