Year 3 & Year 4 Girls Football Tournament...

On Wednesday, our Year 3 and 4 girls visited Bishops Bluecoat School in Hereford to take part in a girls only friendly football tournament. Organised by Barclays and ran by the students at Bishops School, the girls played football matches against other local primary schools in the vicinity. They had a busy, fun afternoon and worked hard improving their football skills. Their enthusiasm was contagious and they won a number of their matches. Well done girls!

Easter Gardens created by Acorn Class in the lead up to Easter...

Year 2 and Year 3 boys had a lovely start to their Forest school sessions on Wednesday. The sun came out providing the opportunity to do some shadow work (linked to our science) – using twigs to record the shape of his shadow.

Beech Class' volcano paintings

(inspired by Japanese prints of Mount Fuji) and their **volcano kennings** are an 'eruption' of colour.

Oak Class Science experiment...

Before Easter, Oak Class set up a photosynthesis investigation.

This week they discovered the results...

The May Fayre is our biggest fundraising event of the year.
25% of the event's profits come directly to the school.
