Lunchtime Table of the Week:

The Wild Place – Whole School Trip

The children (& staff) had such a wonderful time on Monday 26th September. The children loved seeing so many different animals (wolves, bears, geladas, meerkats, cheetahs, wolverine, lynxes...) as well as learning about their diets and habits. We also learned about how the percentage of forests in Britain has decreased since the Ice Age, which animals have become extinct in Britain overtime and how some species have been reintroduced.

	Class Story	English & SPaG	Maths
Acorn Class	Curricular Theme: Once Upon a Time		
		We have been continuing with our story of 'The Gingerbread Man'. Year 1 have been focussing on writing super sentences. They have been using capital letters, finger spaces, full stops and adjectives to change the ending of the story. Reception have been working on their verbal composition of sentences. They have been changing parts of the story and acting them out using small world characters.	Reception have continued to work on their subitising and number recognition skills. We have been using cubes to create number shapes, seeing how many different ways we can create numbers 1-5. Year 1 have been focussing on our numbers 1-10. We have explored the composition of the numbers using tens frames and part whole models.
Beech Class	Curricular Theme: Invaders & Settlers: Celts and Romans		
		We have been continuing with our story of 'The Magic Paintbrush'. Year 2 have been focusing on writing sentences using the singular and plural nouns. Year 3 have been writing expanded noun phrases in their sentences using the different adjectives and nouns from the story.	Year 2 have continued their work on number bonds to 10 and counting in 10s. They have also used the symbols < and > to compare 10s (in numerical, pictorial and concrete forms). Year 3 have been focusing on counting in 50s and solving numerical problems using multiples of 50.
Oak Class	Curricular Theme: Chocolate		
		Y4 have been using a range of resources to aid in our knowledge of subtraction. Using the formal written method, exchanging hundreds and tens. Y5/6 have been investigating tenths and hundredths and identifying errors in calculations e.g. $0.5 - 0.02$ does not equal 0.3	We have been learning a range of strategies to describe a character: how their appearance challenged our preconceptions and comparing and contrasting their appearance to other people e.g. Like the majority of wealthy people, Willy Wonka wore expensive clothing.

Harvest Festival

It was so lovely that the children could once again celebrate giving thanks for the harvest with parents, carers and family in church last Friday. Acorn Class delighted us with their 'Combine Harvester' song and Beech Class gave thanks for harvest time – reading and saying some of the 57 words they made using the 7 letters in Harvest. Oak Class shared with everyone their favourite fruit or vegetable, saying thank you in the language where the food is mainly grown.

Thank you for all the kind donations for the community larder. Rev Ben announced that following the success of a community larder at Welsh Newton church that Llangrove Christ Church will also be having a community larder. Everyone in the community are welcome to access it if they need to.

Llangrove CE Academy, Macmillan's Coffee Morning is nothing without you. Thank you so much for donating a gift of **£221.60**.

We hope you felt proud as everyone came together to tuck into all those delicious treats. Whether it was with cake or savoury goodies, a cuppa or clinking glasses, you did something extraordinary.

Every penny raised will help Macmillan do whatever it takes for people living with cancer, as we continue to offer physical, financial and emotional support to those who need us.

Look out for a special thank you in the post, which will arrive shortly (please note, this can take up to 6 weeks). Your donation reference is **42632070**.

Thank you once again. Your Coffee Morning means so much.

The Coffee Morning Team

An amazing **£221.60** was raised for Macmillan Coffee – thank you for your donations. Thank you to parents and staff for your delicious cake donations and to members of the PTFA committee & Pavla (Pastoral & Welfare Governor) for keeping everyone's mugs and cups topped up with tea and coffee.

Change to entry point for Acorn & Beech Class at the start of the school day.

Starting this week - We would like the children in Acorn & Beech Class to enter into school via the main door & reception area in the morning.

A reminder that there is always two members of staff on duty each morning – please speak with them if you need to have a message passed on to your child's teacher if they are not on duty.

The first PTFA meeting took place on Tuesday 27th September – via TEAMS

A number of fundraising events and activities were discussed:

- Providing teas and coffees at Macmillan Coffee morning and the monthly celebration assemblies
- Autumn 'spooky' disco
- Christmas Cards (with APFS – run by Mrs Dean)
- Children in Need
- Spring disco
- May Fair (community fundraising event)

It was agreed that the fundraising for this term will focus on raising money for a whole school trip to a Christmas pantomime.

Since the meeting the PTFA committee have set up a Facebook group. The address which is:

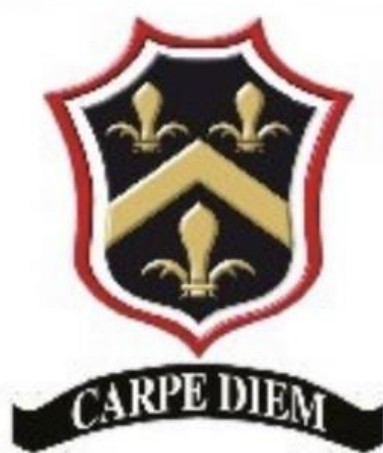

<https://m.facebook.com/groups/442060884690578>

The next meeting is on Tuesday 11th @ 7pm via TEAMS –if you would like to join/support the committee and you would like a link to be sent to you to attend the meeting please email Mrs Dean via admin@llangrove.hmfa.org.uk by the end of the school day on Tuesday.
