

Mathematics

The key area this term is fractions.

The pupil's number and reasoning skills will continue to develop during our daily 'basic skills' and daily times tables sessions.

Religious Education

In RE, we will be looking at how Christians decide to live and using biblical texts to ask ourselves, what would Jesus do?

English

In English, we will start the term by writing our own Fear Tales. We will be using the model text 'Aliens Attacking Us? Never' to help us write our own. In Spring 2, we will focus on report writing.

Specific grammar objectives will also be taught during weekly grammar sessions.

Science

Our focus is Earth and Space this term. We will be learning about how the Moon orbits the Earth creating night and day. We will also be learning about the other planets in our solar system.

EARTH AND SPACE

Physical Education

In PE, we will be doing gymnastics and dance.

During Spring 2, we will be taking part in Moving Targets with our dance routine.

Art

In Art, we will be looking at collaging as a different artistic approach. We will be planning and then creating collage planets.

DT

In DT, we will be planning, creating and evaluating our very own space biscuits. We will also design unique packaging for our products.

History

In history, we will be looking at the space race and placing key dates on a timeline. We will also be writing an autobiographical report.
