Beech Class:	Po	George
Maple Class:	Jazmine	Isaac
Oak Class:	Annabell	Pippa

Team of the Week

Wk 6	Wk 7
MALLEY	MALLEY

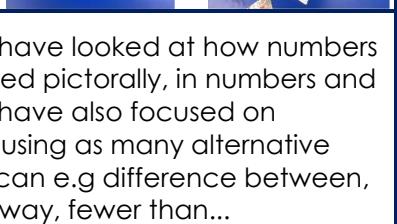

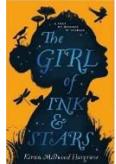

Sports Stars

	Wk 6	Wk 7
Acorn Class:	Megan	Archie
Beech Class:	Reenie	Myla
Maple Class:	Tommy	Jack
Oak Class:	Anthony	Rebecca

Lunchtime Table of the Week:

Wk 6	Wk 7

	Class Story	English	Maths
Acorn Class		<p>Year 1 did a super job writing their innovated version of the story 'The Three Little Pigs'. They remembered to use their knowledge of super sentences, lovely adjectives and re read their work at the end to check it made sense. They have now moved onto poetry and have been exploring rhyming and alliteration.</p> <p>Reception have done a super job at learning their sounds and have been putting their sound knowledge to work writing initial sounds in our story of 'Squash and a Squeeze!'</p> <p>In art, we have been exploring our primary and secondary colours. We had great fun mixing our primary colours to create our secondary colours and using them to decorate the third little pig's house!</p>	<p>Year 1 have been looking at the composition of number 6-10. We have been using the method of 5 and a bit to learn our number bonds and shown off their super knowledge with some speedy fluency work.</p> <p>Reception have been exploring the composition of numbers 1-4. We have been using cubes to create the numbers, subitising the numbers and partitioned our cubes to explore the composition.</p> 
Beech Class		<p>In English, we have all made a start at innovating our Talk 4 Writing texts that we have been focusing on – Jack and the Beanstalk and The Papaya that Spoke. The children have worked hard remembering actions and using their story planning grids.</p>	<p>In maths, we have looked at how numbers are represented pictorially, in numbers and in words. We have also focused on subtraction – using as many alternative words as we can e.g difference between, minus, take away, fewer than...</p> 

		<p>In science, we had great fun being pollinating bees. We used flour (as pollen) and pollinated all of our paper flowers. We discussed this process in nature and the class had a go at "pollinating" flowers we found around the school. Harvey was overjoyed when he spotted a bee!</p> 
Maple Class		<p>In English, the children have just finished writing their Hot Tasks. They have worked exceptionally hard to innovate, create and write their own Journey Tale. Each character had to go on a journey to find something, encounter a problem and solve it. The pupils worked hard at developing the sense of character, including fronted adverbials and detailed innovations.</p> <p>On Monday, the pupils took their Topic learning outdoors! We learnt all about the key events that happen during a river's journey from source to mouth.</p> <p>Once outside, we split into groups to create a natural representation of a river using sticks, leaves and other things that we could find outside. They produced some wonderful representations. Maple Class adults can have a closer look on Seesaw at our creations.</p>  
Oak Class		<p>In Maths, the children have been developing their knowledge of 2D shapes, with a focus on angles. They had great fun making '180 degrees' using angle domino cards.</p> <p>Science 'Living Things' lessons have focused on describing key features of the five vertebrate groups and using classification keys to group a range of animal species.</p>

Rugby Tournament

On Friday 3rd October, a team of our Year 5 and 6 pupils took part in the Stride Active Tag Rugby tournament against local Ross schools. They represented Llangrove brilliantly with outstanding behaviour and wonderful respect and resilience. The children played a total of four games. We won both our games against Ashfield and Lea Primary schools. We narrowly lost two of games against Brampton Abbotts and Walford Primary schools. It was lovely to see some ex- Llangrove pupils, now at JKHS, refereeing the matches.

The pupils seized the sporting opportunity and said:
Jasper: "I'm proud of the teamwork, we showed respect for the others."

Pippa: "Our teamwork was awesome."

Tommy K: "We played well, scored tries and tagged a million people."

Lottie: "We did really well with including everyone in the team."

Rocco: "As time went on, our confidence and ability grew."

Savannah: "Our passing was exceptional."

Art Club's autumn 1

As well as the lovely leaves that are in the church, from our Harvest Festival, our Art Clubbers have produced some lovely 'leaf' tree landscapes. Their wonderful artwork, inspired by an owl monoprint, are on display in the hall...

Mental Health & Wellbeing and Online Safety Guidance

Mental health & well-being, along with using the internet safely and positively is a key message that we promote in Llangrove CE Academy throughout the year.

Please find attached the latest PDF 'WakeUpWednesday' parent/carer guide from National College : **Memes**

Memes are everywhere - quick, witty, and wildly shareable. For many young people they are more than jokes, they're a way to connect, express themselves and interpret the world. But behind the humour, there can be risks. This guide helps adults understand how memes work and why they matter to young people today.

From misinformation to insensitive jokes and permanent digital footprints, this guide highlights the potential pitfalls of meme culture. With practical tips on digital literacy, empathy and open conversations, it empowers parents and educators to help children navigate online humour in a thoughtful, safe, and respectful way.

Samaritan's Purse - Operation Christmas Child...

Today each pupil has brought home a Operation Christmas Child leaflet explaining how we can help deliver great joy and the Good News of Jesus Christ to children in need around the world through gift-filled shoeboxes. Each box packed full of quality toys, school supplies, and personal care items becomes a tangible expression of God's immense love for the child. For many, it is their first gift ever!

See www.samaritans-purse.org.uk/what-we-do/operation-christmas-child/how-to-pack-a-shoebox

- Labels for the box/es are in the leaflet or alternatively can be printed off from

www.samaritanspurse.org/operation-christmas-child/label-options

Please can shoe boxes be brought into school by **Monday 10th November**. They will then be collected by volunteers from Christ Church community.

We will be having an '**Recycle with Michael**' collection day on **Thursday 6th November**.

If you and your family have any clothes, bags and shoes/boots that you no longer need please put them in the Recycle with Michael bag that your child has brought home today and/or a plastic bag.

Please can bags be brought into school **by Wednesday 5th November**.

The Salvation Army will collect the bags and the money raised from the items will be shared with the school. **The more bags we fill – the more cash we raise!** ☺
